

MIRIAM UZURIAGA MARTÍN
Number of collegiate in Madrid nº 28/31-07878

❖ **PERSONAL INFORMATION**

Address C/ Concejal Victorino Granizo nº153 2ªA; 28052, Madrid
Birth Madrid, 07 de abril de 1987
Phone +34 696416832 / 910515010
E-mail miriamuzuriaga@hotmail.com
Driver's License B2 since 2005

❖ **PROFESSIONAL EXPERIENCE**

May 2017- News Emergency Physician at SUMMA 112. Madrid.
May 2017- July 2017 Emergency Doctor at the Hospital Nuestra Señora del Rosario. Madrid.
May 2013 - May 2017 Resident doctor of family and community medicine. University Hospital of the Princess. Madrid

❖ **UNIVERSITY TRAINING**

2005 - 2011 Bachelor of Medicine from the University of Navarra, Spain

❖ **SPECIALIZED TRAINING**

2011 R1 of Psychiatry in Virgen del Camino Hospital (Pamplona, Navarra, Spain)
May 2013 - May 2017 Family and Community Medicine Specialist
University Hospital La Princesa. Madrid. Garden City Health Center.
About training is worth noting

- ❖ 3 months in the **emergency service of the Hospital de la Princesa**, Madrid, Spain. Coordinator: Dr. Carmen del Arco Galán.
- ❖ 2 months in the **emergency service of the Niño Jesús University Hospital**, Madrid, Spain. Coordinator: Dr. Ramón Orduña.
- ❖ 4 months in SUMMA 112 in **the SUMMA 112** teaching unit in Madrid, Spain, with specific training in urgent outpatient care. Coordinator: Dr. Alonso Mateos Rodríguez.
- ❖ 1 month of **Ultrasound in the Central Hospital of the Defense Gómez Ullá in the Radiology Service**. Coordinator: Dr Antonio Sánchez Mayorgas
- ❖ 1 month at **Navan Road Health Center**, Dublin. Ireland Coordinator: Dr. Ray Power
- ❖ 1 month in **Cabinet Medical**, Toulouse, France. Coordinator: Dr. Oustric
- ❖ 1 month in the **Tobacco Unit**. Coordinator: Dr. Carlos Jiménez
- ❖ Continuous training in **Rural Care Services** of the Community of Madrid, Spain, throughout the residency.
- ❖ **Gynecology guards at the Hospital 12 de Octubre** in Madrid. Coordinator: Aurora Fernández Moreno.
- ❖ Complementary training in **Internal Medicine, Gynecology, Psychiatry, General Surgery, Traumatology, Ophthalmology, and Otorhinolaryngology** with the performance of guards in these services.

2015-2016 Master of Emergencies, Emergencies and Catastrophes
San Pablo CEU. TASSICA Emergency Training & Research.

MIRIAM UZURIAGA MARTÍN
Number of collegiate in Madrid nº 28/31-07878

Carrying out the following theoretical-practical workshops in simulation environments:

- ❖ Adult CPR and Advanced Life Support
- ❖ Pediatric CPR and Initial Assistance to Childhood Trauma
- ❖ Polytraumatized Prehospital Patient Care
- ❖ Assistance to Multiple Victims
- ❖ Electrocardiographic interpretation
- ❖ Basic ultrasound. Ecofast
- ❖ Mechanical ventilation and Capnography

2018 **University expert HEMS Specialist and Airborne Medical Assistance (HICAMS, FWAA)**

University of Alicante. Carrying out the following theoretical-practical workshops in simulation environments:

- ❖ HEMS and work from the ground
- ❖ Practicum in aircraft and controlled simulation
- ❖ Practicum controlled hostile environment (urban, mountain, aquatic)
- ❖ Aeronautical regulations on medical care
- ❖ Applied aeronautical physiology
- ❖ Simulation in a controlled environment
- ❖ Multiple victims & HEMS
- ❖ Pathophysiology of the critical patient in the aeronautical environment
- ❖ ACRM and emergencies in flight

2018-present **PhD student in Applied Medicine and** Biomedicine from the University of Navarra, Spain

❖ COMPLEMENTARY TRAINING

- | | |
|-----------------------------|---|
| 2023 | Rational use of diagnostic and therapeutic resources: Basic ultrasound scanning in emergency medicine (SUMMA 112). |
| 2023 | ERICAM (Emergency and Immediate Response of the Community of Madrid) Training: Advanced Level (SUMMA 112) |
| 2023 | Active teaching methodologies for trainers in SUMMA 112 (SUMMA 112) |
| 2023 | Training for 2nd SUMMA 112 response in a Biohazard Incident (SUMMA112) |
| 2023 | Cardiovascular emergencies in the out-of-hospital setting (SUMMA112) |
| 2023 | Intervention of SUMMA112 professionals in collapsed structures (SUMMA 112) |
| 2023 | Disaster management. Basic training for SUMMA112 personnel (SUMMA112) |
| 2023 | Rational use of diagnostic and therapeutic resources: Coordination of medical teams in international missions - Coordinación de equipos médicos en misiones internacionales - Coordination of medical teams in international missions (SUMMA 112) |
| 2022 | Update on the use and administration of advanced life support drugs in SUMMA 112 (SUMMA 112) |
| 2022 | Comprehensive palliative care in the out-of-hospital setting (SUMMA 112) |
| 2022 | Zotero: bibliographic manager for research papers (Department of Health) |
| 2021 | ERICAM Training (Emergency and Immediate Response of the Community of Madrid): Initial level (SUMMA 112) |
| 2021/
2018/ 2017 | Course of health care to childbirth (H. U. Puerta de Hierro) |
| 2021/ 2016 | Course of Actuality in Urgencies (H. U. Clínico San Carlos) |
| 2020 | Course on Airway Management and Respiratory Support in COVID-19 (MIVA) |
| 2020 | X Course on Practical Aspects in Clinical Cardiology (H. U. Clínico San Carlos) |
| 2020 | Communications Course from an Emergency Coordination Center (SUMMA 112) |

MIRIAM UZURIAGA MARTÍN
Number of collegiate in Madrid nº 28/31-07878

2019	Diagnosis and treatment of cardiac arrhythmias. Advanced level. (H. U. Clínico San Carlos)
2018	Online course of pediatric and neonatal transport (Central University Hospital of Asturias)
2018	Basic course in mechanical ventilation (University Hospital Central de Asturias)
2018	EPC: Emergency Pediatric Care
2018	Advanced pediatric and neonatal cardiopulmonary resuscitation course. (University Hospital Gregorio Matañón)
2018	Course of Integral Assistance to Pediatric Trauma (SUMMA / H. U La Fe)
2018	Advanced Life Support Instructor Course (SAMIUC Granada)
2018	Advanced Life Support Course in Gestante (H.U. Puerta de Hierro)
2018	Health care course in terrorist attacks with active marksman (Military School of Health H. Central de la Defensa Gómez Ullá)
2018/2016	Workshop for identification and management of arrhythmias in extreme hospital emergencies (SUMMA 112)
2017	AMLS: Advance Medical Life Support
2017	Non-Invasive Mechanical Ventilation (SUMMA 112)
2017	XII Mountain Health Care Course. Search and rescue. Miranda de Ebro (Burgos)
2017	PHTLS: Prehospital Trauma Life Support
2017	Non-invasive mechanical ventilation for emergency physicians (H. U. La Princesa)
2017/2015	Provider of Advanced Cardiovascular Support (SVCA)
2017	Course of Instruction for Cardiopulmonary Resuscitation and Automatic External Defibrillation (SEMICyUC)
2017	Course of Management of Difficult Airway (SUMMA 112)
2017	Bad News Communication Course in Emergency Situations (SUMMA 112)
2017	Course on Clinical Electrocardiography, Diagnosis and Treatment of Cardiac Arrhythmias. Basic level (H. U. Clínico San Carlos)
2016	LXII Clinical Ultrasound Course (SEMG)
2016	Non-invasive mechanical ventilation workshop (SUMMA 112)
2016	I refresher course in respiratory pathology (H. U. La Princesa)
2016	V course of Practical Aspects in Clinical Cardiology (H. U. Clínico San Carlos)
2016	Basic ultrasound course for residents (SEMG)
2014	Update course in acute cardiovascular care (H. U. Clínico San Carlos)

❖ OTHER TRAINING ACTIVITIES (selection)

2024	Workshop on intraosseous vascular access and haemorrhage control on cadaveric tissue (Universidad Autónoma de Madrid)
2023	Practical aspects of suicide risk intervention in the out-of-hospital setting (SUMMA 112)
2023	Urgent epileptic seizure process in the Community of Madrid (SUMMA 112)
2022	Day focused on preventing infections and antibiotic resistance: sharing experiences (SUMMA 112)
2022	Seminar on current evidence in the control of massive haemorrhage (SUMMA 112)
2022	Advanced Management of the Airway and Ventilation in Emergency Transport (SUMMA 112)
2022	Rational use of diagnostic and therapeutic resources: Workshop on programming mechanical ventilators for use in SUMMA112 (SUMMA 112)
2022	Information session presentation of projects: epilepsy registry and prediction of out-of-hospital of cerebral infarction due to large vessel occlusion (SUMMA 112)

MIRIAM UZURIAGA MARTÍN
Number of collegiate in Madrid nº 28/31-07878

2022	Humanisation in SUMMA 112 for patients, professionals and allies (SUMMA 112)
2022	Quality and Professional Competence Conference SUMMA112 (SUMMA 112)
2021	Stroke Code update after the COVID-19 pandemic (SUMMA 112)
2020	Training in occupational and health risks, specific for personnel of aeromedical transport of SUMMA 112
2019	Update on emergency medicine (TASSICA Emergency Training & Research S.A. and the ISEP CEU of the San Pablo CEU University Foundation)
2019	Alternative vascular access training (Emergency Staff)
2019	Update of transfers of patients with infectious diseases
2017	Psychology in Catastrophes and international missions (SUMMA 112)
2017	Training sessions in Joint Actions with Civil Guard (SUMMA 112)
2016 / 2013	Advanced Practical Workshop of Minor Surgery (Medical Association of Madrid)
2016	Online course of Introduction of NBQR (Academy of Pharmacy Santa Maria of Spain of the Region of Murcia)
2016	Online course of palliative care in Primary Care (SEMFyC)
2016	I Course of temporary disability for primary care physicians (H. U. Clinico San Carlos)
2016	Attendance to clinical practice courses on cholesterol and dyslipidemia (SOMAMFyC)
2015	Practical dermatology for Primary Care (SOMAMFyC)
2015	II Day of Updating Neurological Pathology for Primary Care (H.U. La Princesa)
2015	I Course on Allergology for Primary Care (H. U. Del Henares)
2014	Course of suicide prevention through films (H. U. Ramón y Cajal)
2013	Theoretical-practical course in minor surgery (Madrid Medical Association)

❖ COMMUNITY AND TEACHING ACTIVITIES

2022-present	Teaching of "Police shooting instructor". Director General of Security, Civil Protection and Training of the Community of Madrid.
2019-present	Teaching of "Basic Training Course for aspiring Civil Protection Volunteers" Security and Emergencies Agency Madrid 112. General Directorate of Security, Civil Protection and Training
2019-present	Teaching of "Basic Training Course for aspiring Municipal Police Madrid City Council" Security and Emergencies Agency Madrid 112 General Directorate of Security, Civil Protection and Training
2019-present	Teaching of "Identification and management of urgent and emerging cardiovascular disease in out-of-hospital medicine" at SUMMA 112 Madrid".
2019-present	Teacher collaborator in the area of pediatric CPR. Master of Emergency Emergencies and Catastrophes. San Pablo CEU Madrid
2019-present	Emergency block teaching ("Treatment of arrhythmias in the out-of-hospital emergency", "Acute coronary syndrome, Non-ischemic emergencies and acute respiratory pathology" "Neurological semiology") to the medical staff of Banco de España, Madrid, Spain
2019-present	Emergency block teaching ("Treatment of arrhythmias in the out-of-hospital emergency", "Acute coronary syndrome, Non-ischemic emergencies and acute respiratory pathology" "Neurological semiology") to the medical staff of Banco de España, Madrid, Spain
2018-present	Impartition of "Electrocardiographic diagnosis in the emergency room for health personnel of summa 112 for doctors and nurses of SUMMA 112"

MIRIAM UZURIAGA MARTÍN
Number of collegiate in Madrid nº 28/31-07878

2018-present	Impartition of "Monitoring and electrical management of arrhythmias for Summa 112 equipment"
2018-present	Teacher collaborator in the area of adult CPR. Master of Emergency Emergencies and Catastrophes. San Pablo CEU Madrid.
2018	Instructor AMLS: Advanced Medical Life Support
2018	Advanced Life Support Instructor
2018	Instructor PHTLS: Prehospital Trauma Life Support
2018	Resident tutor of SUMMA 112
2018	Member of the Arrhythmia Commission of SUMMA 112
2017-present	Teacher collaborator in the area of Ultrasound. Master of Emergency Emergencies and Catastrophes. San Pablo CEU Madrid.
2017-present	Teacher collaborator in the area of Multiple Victims Incident. Master of Emergency Emergencies and Catastrophes. San Pablo CEU Madrid.
2013 - present	Instructor SVB and DEA. Dissemination and teaching of basic CPR in schools. Instructor in the group "RCP coles"
2013 - 2015	Participation in a collective study "Shared Care Unit" (collaboration between patients of Family Medicine and Internal Medicine) survey for the evaluation and satisfaction of multi-pathological patients and doctors.

❖ PRIZES, MERITS AND SCHOLARSHIPS

2021	Training aid for the international doctorate of the Spanish Society of Infectious Diseases and Clinical Microbiology (SEIMC)
2017	Winner of La Quiniela of the Course of Clinical Electrocardiography, Diagnosis and Treatment of Cardiac Arrhythmias. Basic level
2013-2017	Outstanding student in the specialty of Family and Community Medicine of the Teaching Unit Centro
2015	Obtaining the charitable-teaching aid of the U. CEU San Pablo for the study of the Master's Degree in Emergencies, Emergencies and Catastrophes, by academic record

❖ RESEARCH

2021-present	Co-investigator of the Horizon 2020 project "Medical First Responder Training using a Mixed Reality Approach featuring haptic feedback for enhanced realism. Response"
2017-present	Co-investigator of the VENTILA MADRID research project of Summa112.
2022	Co-author of the SUMMA 112 guidelines for the referral of patients with arrhythmias.
2022	Co-author of Atlas of Electrocardiography for Out-of-Hospital Medicine
2022	Co-author of the journal Australian Critical Care: "Protocol for assessing mortality reduction with the early use of non-invasive ventilation in Prehospital Emergency Services. A multicenter, observational cohort study in Madrid, Spain".

❖ PUBLICATIONS and CONGRESSES (selection)

2023	<u>17th European Congress on Emergency Medicine</u> <ul style="list-style-type: none">❖ Author of the posters<ul style="list-style-type: none">"Lady Windermere is in Spain?""Use of ECMO in patients with thoracic mass from an out-of-hospital point of view""Ventricular tachycardia, lidocaine or amiodarone?"

Number of collegiate in Madrid nº 28/31-07878

- ❖ Co-author of the posters
 - “And suddenly, I can't walk”
 - “I don't feel my feet”
 - “Post-ischemic colonic stricture secondary to low anterior resection”
 - “Also in mouth”
 - “A strange dizziness”
 - “Fibrinolytic or non-fibrinolytic?”
 - “What a heartburn”
 - “I find rare”
 - “Acute pancreatitis because of an intragastric balloon”
 - “Chlamydia trochomatis proctitis. A case report”

33st European Congress of Clinical Microbiology & Infectious Diseases (ECCMID)

- ❖ Author of the poster
 - “ Evaluation of an algorithm for the detection of carbapenemases production and identification in Enterobacteriaceae”

26º Congreso SEIMC 2022 Santiago de Compostela

- ❖ Author of the poster
 - “ Impacto económico de la identificación microbiológica rápida con MALDITOF en pruebas de microbiología”

33º Congreso Nacional SEMES. Madrid

- ❖ Author of the poster
 - “Entrenamiento en catástrofes utilizando realidad mixta por los primeros intervinientes sanitarios proyecto MED1STMR”
- ❖ Co-author of the posters
 - “ Estudio descriptivo retrospectivo de los fármacos que tenían prescritos los pacientes cuyo diagnóstico clínico es una arritmia en el ámbito extrahospitalario en la Comunidad de Madrid primer semestre 2021”
 - “ Sin corazón no hay cabeza”
 - “ Estudio descriptivo retrospectivo del recurso asignado para la asistencia a los pacientes cuyo diagnóstico clínico es una arritmia en el ámbito extrahospitalario en la Comunidad de Madrid en el primer semestre de 2021”

2022

16th European Congress on Emergency Medicine

- ❖ Co-author of oral presentation:
 - “Training of first responders using mixed reality with haptic feedback towards augmented realism”
- ❖ Author of the posters:
 - “Fibrinolytic in cardiorespiratory arrest, myth or reality?”
 - “It's hard to breathe and it's not Covid”
 - “Something is wrong with my heart!”
- ❖ Co-author of the posters:
 - “Am I more likely to have a stroke because of COVID 19?”
 - “Afferent loop syndrome. A case report”
 - “Procalcitonin is useful in acute pancreatitis”
 - “Splenic rupture after ERCP”
 - “It's not just exams”
 - “And my legs?”
 - “This pain again”
 - “Either you have a heart attack or an epileptic seizure, but not both at the same time.”
